She has a 3<sup>rd</sup> grader here at CME and volunteered here and there last year and decided she wanted to know what her kid was doing all day while at school and decided to jump head first into the Co-Vp of Programs role. At first it was scary, jumping in with no experience. There will be a volunteer seminar coming to give volunteers this insight into what volunteering exactly entails. Volunteers that log over 50 hours receive free picture package for following year, over 100 hours logged gets free pass to Blue Springs School District events as well as the picture package.
